Santa Visits the Library!

Saturday, November 26 th

11am-2pm

**HARRISON
DISTRICT LIBRARY**

On November 26th, the Saturday after Thanksgiving, we'll have a very special guest visit the Harrison District Library at the Surrey House – Santa! Come in for stories told by Jeffery Schatzer, Michigan author of some wonderful books about Santa, such as *The Bird in Santa's Beard*, and *The Bump on Santa's Noggin*. The Harrison District Library has all of Jeffery Schatzer's books available to check out, and there will also be copies here to purchase. An autographed copy of a book would make a lovely gift for the holidays!

Stories will begin at 11:00, and then Santa will be taking pictures and listening to wish lists until the library closes at 2:00. There will be crafts, activities, and snacks available all day. If your family wants to visit with the real Santa, you won't want to miss this.
